

Keeping Your Environment Cleaner and Safer for Over 40 Years
SimpleGreen.com

TYPICAL CHARACTERISTICS:

Appearance	Slightly opaque, white to pale straw colored fluid
Physical State	Slightly viscous liquid
Flash Point	> 100 °C (212 °F)
Boiling Point	> 101 °C (213.8 °F)
Freezing Point	0 °C (32 °F)
Specific Gravity	1.01 – 1.04
pH	7.5 – 9.5
Density	8.42 – 8.67 lb/gal
Water Solubility	100%
Odor	No added scent

SDS AVAILABLE ONLINE

TYPICAL USES: Laundering of water-safe fabrics either via mechanical washing machine or hand-wash.

See label for complete instructions.

SAFETY: Use eye protection if splash back is likely. Wear gloves if hands will be exposed to concentrate for an extended period of time. Wash skin thoroughly with warm water after contact with concentrate.

SIMPLE GREEN INDUSTRIAL LAUNDRY DETERGENT

Powerful stain-removing technology cleans laundry without harsh chemicals

UNIQUE FEATURES

- The powerful enzymatic formula uses plant-based surfactants instead of harsh chemicals to lift and remove grease, oils and stains
- Keeps whites and colors looking bright without harmful chlorine or optical brighteners that can cause fading and wear
- Will not damage inherently fire resistant fabrics
- Color and scent-free detergent won't irritate delicate skin
- Contains no detectable 1,4-dioxane which has been linked to cancer
- Readily biodegradable formula is compatible with septic systems
- Clean rinsing formula won't leave fabric feeling stiff or soapy
- Concentrated formula is optimized for superior performance in all water temperatures, reducing product and energy costs
- USDA Certified Biobased Product

APPLICATIONS

- For use in commercial and household machines including regular, high efficiency (HE), side-loading, top-loading, or high-capacity machines
- Ideal for cleaning turnout gear and PPE used in fire and other municipal departments
- Removes heavy grease, grime and ground in dirt from rags and cloths used in auto, plumbing, machine and other repair services
- Breaks down food, wine, coffee, grease and oil stains on tablecloths, napkins and aprons used in restaurants, conference centers and catering companies
- Cleans dirt, sweat, grass and makeup from work and athletic uniforms
- Eliminates blood, body oils and organic stains from frequent use linens in hotel, motel, spa, athletic, hospital and nursing home facilities

INSTRUCTIONS FOR USE

For Commercial Machines

- Use 8-12 oz. of detergent per 100 lbs. of dry fabric, depending on severity of soil
- For greasy spots, apply a small amount of the detergent directly onto the heaviest spots, rub in, and launder immediately

For Household Machines

- Use 1 oz. per load. Add up to 1 oz. more for heavily soiled laundry.
