SIMPLE GREEN® SAFETY TOWELS

Convenient wipes with the cleaning and degreasing power of Crystal Simple Green®

UNIQUE FEATURES

- Not classified as hazardous according to Model Work Health & Safety Regulations and GHS Criteria
- No special PPE requirements for handling (safe work practices are recommended)
- Not classified as hazardous for transport
- Larger-sized wipes for heavy-duty, multi-purpose cleaning
- Uses Crystal Simple Green, a powerful, non-toxic and biodegradable cleaning and degreasing solution
- Dual-sided wipes feature a non-abrasive scouring side for tough scrubbing and a smooth side for a lint-free shine
- Removes dirt, grease, oil, wet paint, tar, soot, carbon, graphite and much more
- Safe for use on washable surfaces including metals, concrete, rubber, finished wood, tile, laminates, stone, porcelain, carpets and other industrial surfaces
- Clean-rinsing
- NSF registered: A1, A4, A8, C1
- No added colour or scent
- Towels are thermally bonded and melt-blown to ensure durability
- Excellent wicking and fluid holding capacity for cleaning liquid spills

APPLICATIONS

- Ideal for a wide range of industries including manufacturing, MRO, automotive, transportation and more
- Cuts through tough grease, grime and residue on equipment, machinery and manufactured parts
- NSF rated for use in food processing facilities and commercial kitchens
- Quickly removes food and beverage spills from counters, floors and walls
- Easily removes dirt, wet paint, adhesives and other soils from construction tools and job sites
- Cleans oils, fluids, brake dust and other common soils in automotive and transportation settings
- Ideal for in-field and on-site use where access to water is limited or unavailable
- Available in an easy-to-use dispenser or softpack for vending machine use

DIRECTIONS FOR USE

- Test on an inconspicuous area first
- Apply towel to soiled surface until clean
- Place used towel into the trash
- Rinse hands after use
