

CLEANING PRODUCTS ENGINEERED FOR STRENGTH, SAFETY & VERSATILITY

SIMPLE GREEN® LIME – CALCIUM- SURFACE RESIDUE REMOVER

Powerful cleaner, degreaser, descaler, and caustic residue remover

APPLICATIONS

- Removes acid, caustic deposits, light rust from metal and other food contact surfaces including tanks, pipelines & conveyor belts
- Removes hard water and caustic, chlorine-based cleaner residues from glass, plexiglass, plastic & polymer composites
- Descales equipment including HVAC components, pipes, drains, hoses, tanks, storage systems, spray rack systems, washing machines & more
- Removes stains and restores clarity to stainless steel, chrome, aluminum, brass, and other metal surfaces, fixtures, and equipment, both indoors & outdoors
- Removes fertilizers, manure, biochar, light rust & hard water build-up to unclog spigots, nozzles, sprinklers, irrigation pipes & hoses
- Effectively cleans and degreases non-porous food contact surfaces, making it ideal for the food service industry
- Removes efflorescence from concrete, stone, brick, stucco & masonry
- Removes hard water & light rust stains from shower heads, bathroom fixtures, landscaping equipment, outdoor lighting, structural aluminum, windows & other outdoor surfaces

INSTRUCTIONS FOR USE

Always spot test on a hidden area first.

1. Spray or foam onto surface.
2. Scrub area gently with a non-metallic brush, non-scratching scrubbing pad, or sponge to loosen any heavy build-up. When cleaning metals, tanks, pipes, etc., lightly scrub along the grain.
3. Repeat steps 1 & 2 if necessary, don't let product fully dry on the surface being cleaned.
4. Rinse thoroughly with potable water for clean, shiny results

UNIQUE FEATURES

- + Powerful enough to remove even tough, built-up mineral deposits, caustic, acid & chlorine-based cleaner residues, hard water stains, soap scum & oxidation
- + NSF Registered A3 as a cleaner for food contact surfaces
- + Bleach, ammonia, and phosphorous free
- + Regular use can prevent mineral deposit build-up to help maintain plant performance
- + Can replace harsh acids commonly used in CIP & COP Food & Bev line washdown
- + Non-abrasive and non-flammable
- + Contains no added fragrance
- + VOC compliant, non-fuming formula
