

# simple green®

## INDUSTRIAL, INSTITUTIONAL AND HOUSEHOLD PRODUCT RANGE

Keeping Your Environment **Cleaner** and **Safer** for over **40 years**.

## GENERAL PURPOSE

### SIMPLE GREEN® INDUSTRIAL Cleaner/Degreaser/Deodoriser

- Concentrated formula powerful enough for intense grime, yet gentle enough for continued maintenance of high-traffic areas
- Clean, degrease and deodorise all washable/ water-safe surfaces in a wide range of industries including mining, manufacturing and automotive
- Cuts through tough grease, oils, cutting fluids, built-up grime and residue
- Not classified as hazardous according to Model Work Health & Safety Regulations and GHS Criteria
- No special PPE requirements for handling
- Safe for use in cleaning equipment such as floor scrubbers, pressure washers & foamers
- Dilution and application chart available
- Quick break formulation

	946 ml SG13033		3.78 Ltr SG13005		20 Ltr SG13004		208 Ltr SG13034		1040 Ltr SG13275
--	-------------------	--	---------------------	--	-------------------	--	--------------------	--	---------------------

## HEAVY-DUTY

### SIMPLE GREEN® SUPREME Heavy-Duty Cleaner & Degreaser

- Formulated for heavy-duty degreasing tasks such as engines, machinery, manufacturing equipment, dip tanks, HVACR coils and cooling towers
- Concentrated formula (dilution & application chart available)
- Removes machining oils and cutting fluids from manufactured parts and extruded tubing
- Use in aqueous-based parts washers, steam cleaners, floor scrubbers, pressure sprayers and ultrasonic baths
- Low foaming so less water is required when rinsing & features Quick Break for use in facilities equipped with an oil/water separator
- Not classified as hazardous according to Model Work Health & Safety Regulations and GHS Criteria

	20 Ltr SG13492		208 Ltr SG13493		1040 Ltr SG13494
--	-------------------	--	--------------------	--	---------------------

## AVIATION

### EXTREME SIMPLE GREEN® Aircraft & Precision Cleaner

- Cuts through tough greases, oils, built-up grime and residue on aircraft, equipment, engines, machinery, wind turbines and more
- Meets a variety of aircraft testing specifications including the BOEING SPEC D6-17487P
- Use on structural metals, hoses, seals & factory finishes without risk of hydrogen embrittlement or corrosion
- Concentrated, superior grease cutting & clean rinsing formula (dilution and application chart available)
- Biodegradable and petroleum-distillate-free, no reagents that oxidize finishes or degrade plastics
- Not classified as hazardous according to Model Work Health & Safety Regulations and GHS Criteria
- Quick break formulation

	946 ml SG13412		3.78 Ltr SG13406		20 Ltr SG13419		208 Ltr SG13455		1040 Ltr SG13475
--	-------------------	--	---------------------	--	-------------------	--	--------------------	--	---------------------

## TRANSPORT

### SIMPLE GREEN® TRUCK WASH

- Used to wash trucks, earth moving machinery, trams, buses, trains, cars, boats, etc.
- Can be used with automated wash, pressure washer, foaming gun, spray pack, brush or sponge
- Lower foaming so less water is required when rinsing
- Features Quick Break so is ideal in wash bays equipped with an oil/water separator
- 20 litres of concentrate will make 600 litres of ready-to-use product at a dilution of 1:30
- Non-toxic, readily biodegradable, non-abrasive, non-corrosive, non-flammable
- Rinses residue-free
- Not classified as hazardous according to Model Work Health & Safety Regulations and GHS Criteria

	20 Ltr SG13480		208 Ltr SG13482		1040 Ltr SG13487
--	-------------------	--	--------------------	--	---------------------

## TRANSPORT

### SIMPLE GREEN® VEHICLE Wash & Wax

- Specially formulated for pressure washing, bucket and brush, and hand washing applications with carnauba wax
- Use on buses, taxis, emergency vehicles, sanitation fleets, and other high-use vehicles
- Ideal for cars, trucks, and construction vehicles
- Cuts through tough road film and exhaust deposits without heavy scrubbing
- Safe for use on factory and aftermarket vehicle finishes including clear coats, chrome, glass, rubber, and vinyl
- Concentrated formula with economical dilution ratios
- Safe for contact on concrete and asphalt
- Readily biodegradable and VOC compliant

	208 Ltr SG02055
--	--------------------

## MINING

### SIMPLE GREEN® MINE CLEAN

- The safer alternative to dangerous, flammable, caustic degreasers and solvents
- Concentrated formula (dilution & application chart available)
- Removes petroleum greases, coolants, transmission & radiator fluids, greasy soils, oil, dirt, brake dust, road grime & stains, graphite, bitumen, metal working fluids, mud & clay, tree sap, bug & bird droppings
- Ideal for machinery, plant & equipment, railway carriages, crushers & conveyors, shut down cleaning, workshops, site offices, site accommodation etc.
- Non-corrosive, non-flammable, rinses residue-free & features Quick Break
- Not classified as hazardous according to Model Work Health & Safety Regulations and GHS Criteria

	20 Ltr SG20020		208 Ltr SG20208		1040 Ltr SG21041
--	-------------------	--	--------------------	--	---------------------

## FOOD GRADE

### CRYSTAL SIMPLE GREEN® Industrial Cleaner & Degreaser

- Highly versatile formula than can be used full-strength or in various dilutions\* on all washable/ water-safe surfaces including metal, concrete, rubber, synthetic and plastic
- No added colour or fragrance
- An NSF Certified product for use as a general cleaner on all surfaces in and around food processing areas – Categories A1, A2, A4, A8, B1, C1
- Not classified as hazardous according to Model Work Health & Safety Regulations and GHS Criteria (Excludes Aerosol Can)
- Non-toxic, biodegradable, non-corrosive, non-flammable, non-abrasive
- Ideal cleaner for parts washers, oxygen tanks and ultrasonic baths
- Quick Break

	567 g SG19010		710 ml SG19024		3.78 Ltr SG19128		20 Ltr SG19001		208 Ltr SG19054		1040 Ltr SG19275
--	------------------	--	-------------------	--	---------------------	--	-------------------	--	--------------------	--	---------------------

## MINERAL DEPOSITS

### SIMPLE GREEN® LIME SCALE Remover

- Safely remove tough, built-up mineral deposits, hard water stains, soap scum and oxidation from a variety of surfaces including porcelain, ceramic tile, glass, aluminium, stainless steel, chrome & more
- Safe for drains and pipes including ABS, PVC, copper, and others
- No bleach, ammonia or phosphorous
- Organic salt formula won't strip protective finishes, cause damage or discoloration, or etch sensitive surfaces
- VOC compliant, non-fuming, non-flammable
- Descales equipment including HVAC components, pipes, hoses, tanks, storage systems, spray rack systems, washing machines and more

	946 ml SG50032		3.78 Ltr SG50128		18.9 Ltr SG50005		208 Ltr SG50155
--	-------------------	--	---------------------	--	---------------------	--	--------------------

## DISINFECTING

### SIMPLE GREEN® d PRO Hospital Grade Disinfectant

- Specifically formulated for use in heavy duty disinfecting and cleaning procedures
- Suited for hospitals, prisons, schools, public areas, health clubs, cafeterias, clinics, animal areas, pharmaceutical and food processing plants
- ACIS registered
- Concentrated formula
- Mild floral fragrance
- Controls the spread of Tinea and prevents the growth of mould
- Passes TGA Option B at a dilution of 1:100
- Rinses residue-free

	4 Ltr SG30101		20 Ltr SG30102
--	------------------	--	-------------------

## HAND CLEANING

### SIMPLE GREEN® HAND CLEANER Gel

- Remove grease, grime, dirt, oil, wet paint, tar, soot, carbon and much more
- Deodorise hands from the lingering smell of grease, oil, paint or even fish and food odours
- Great for use in service bays, machine shops, MRO, commercial and industrial facilities
- Use with or without water
- Contains natural pumice to enhance the cleaning of stubborn dirt and grease
- Contains lanolin for moisturising and protecting skin
- Non-citrus formula
- Leaves no oily residue

	199 ml SG42675		3.78 Ltr SG42128		20 Ltr SG42020		20 Ltr Pump SG71001
--	-------------------	--	---------------------	--	-------------------	--	------------------------

## PARTS WASHING

### SIMPLE GREEN® PARTS WASHING Fluid

- Designed for conventional and rotating parts washers that use an aqueous-based degreaser
- 25 litres of concentrate makes 100 litres of product at a dilution of 1:3
- Used liquid may be disposed of into oil/water separators that will reduce hazardous disposal costs
- Non-toxic, readily biodegradable, non-flammable and non-caustic
- A multi-use product which can also be diluted for general cleaning and degreasing applications
- Not classified as hazardous according to Model Work Health & Safety Regulations and GHS Criteria

25 Ltr  
SG13484

## GENERAL PURPOSE

### SIMPLE GREEN® SAFETY TOWELS

- Specially designed with the industrial cleaning strength of Crystal Simple Green®
- Convenient cleaning and scrubbing of water-safe surfaces
- Safely removes grease, oil, wet paint, carbon, graphite, tar, soot, grime, and much more
- Ready-to-use, safer, non-citrus formula with no added colour or scent
- Dual textured - the scrubbing side removes grease and oil whilst the softer side provides lint-free wiping.
- These towels also have an excellent wicking/fluid-holding capacity and are highly resistant to rot and mildew

5 Sheets  
SG13322

75 Sheets  
SG13351

## WELDING

### SIMPLE GREEN® ANTI-SPATTER

- Ready-to-use, high performance, solvent-free spatter release solution specially formulated for the welding industry
- Non-flammable, non-corrosive, readily biodegradable
- Keeps nozzles, diffusers, tips and shrouds clear of spatter build-up
- Prevents welding spatter from sticking to tables, jigs and other metal work surfaces
- Rinses residue-free for use prior to plating or painting
- Does not contain Methylene Chloride or silicone
- No special PPE required such as respirators
- Formula does not contain any ingredients that trigger respiratory sensitization
- Safe for painted & plated metals, aluminium and other metal surfaces

946 ml  
SG13452

3.78 Ltr  
SG13454

18.9 Ltr  
SG13457

## LAUNDRY

### SIMPLE GREEN® LAUNDRY LIQUID Industrial Free & Clear

- For use in commercial and household machines including regular, high-efficiency (HE), side-loading, top-loading or high-capacity machines
- Ideal for cleaning turnout gear and PPE used in fire and other municipal departments
- Removes heavy grease, grime and ground in dirt from rags and cloths used in auto, plumbing, machine and other repair services
- Colour and scent-free detergent won't irritate delicate skin
- Readily biodegradable formula is compatible with septic systems
- Breaks down food, wine, coffee, grease and oil stains on tablecloths, napkins and aprons used in restaurants and catering companies

18.9 Ltr  
SG03005

208 Ltr  
SG03055

## SPECIALTY

### SIMPLE GREEN® Foaming Coil Cleaner Aerosol & Liquid

- Professional-strength, self-rinsing coil cleaner helps keep equipment at optimum performance levels
- Formula quickly penetrates to remove the dirt, grease and grime that can cause clogs and impede heat transfer
- For use on aluminium, stainless steel, painted or enameled metals, plastics, acrylic, stone and more
- Ideal for use on HVAC units, refrigerators, freezers and similar equipment
- NSF registered C1 and P1 for use in and around food processing areas
- Non-corrosive, non-flammable, and non-fuming formula with no added colour or scent
- Available in liquid concentrate or convenient ready-to-use foaming aerosol can equipped with 360 degree valve

567 g  
SG13418

18.9 Ltr  
SG04005

## SIMPLE GREEN® CLEAN BUILDING Products

- Meets the Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging, and protective limits on VOCs and human and environment toxicity. (For more information, please visit [GreenSeal.org](http://GreenSeal.org))
- Unlike other standards, the GS-37 Standard (Industrial/Institutional Cleaning Products) has always contained an efficacy requirement (i.e., the products have to work.)
- Cleaner contains no added fragrances, which can aggravate allergies or other sensitivities
- Perfect for use in schools, universities, government facilities and other buildings that require environmentally preferable product purchasing
- Complies with environmentally preferable product purchasing programs

**1. All-Purpose:** Penetrates and lifts dirt, grime and oily soils from hard, non-porous surfaces without heavy scrubbing. Formula is non-caustic and non-flammable.  
Dilution Ratio 2% Concentrate/98% water

**2. Bathroom:** Removes soap scum and hard water stains without harsh chemicals. Specifically formulated for cleaning scale and scum types of soils typically found on hard bathroom surfaces.  
Dilution Ratio 5% Concentrate/95% water

**3. Glass:** Cleans glass, mirrors and reflective surfaces without streaks and smears and does not contain ammonia or isopropyl alcohol, making it a much safer option than other common glass cleaners.  
Dilution Ratio 3.3% Concentrate/96.6% water

**4. Carpet:** Safely eliminates stains and dirt from carpet and upholstery in high-traffic areas. Certified safe and effective by the Carpet and Rug Institute.  
Dilution Ratio 5% Concentrate/95% water

## SIMPLE GREEN® PROFESSIONAL GRADE Products

### Heavy-Duty Cleaner:

- Multi-Purpose heavy-duty cleaner, degreaser and deodoriser quickly eliminates tough grease, grime and stains
- Readily biodegradable, non-corrosive formula is safe for use on metals, plastics, concrete, vinyl, painted surfaces, sealed wood and more
- Use manually or with cleaning equipment
- Dilute 1:3 for heavy soils, 1:5 for medium soils, and 1:13 for lighter soils

### Shower, Tub & Tile Cleaner:

- Dual-purpose formula provides heavy-duty descaling and effective daily cleaning on tile, metals, porcelain, plastic, PVC and more
- Non-abrasive cleaner removes built-up lime scale, hard water scale and soap scum without stripping protective finishes or causing discoloration
- Organic salt formula is bleach, ammonia, and phosphate-free
- Use full-strength for heavy soils and dilute 1:1 for everyday use

### Glass Cleaner:

- Non-toxic formula removes fingerprints, air pollution, oils and grime from both indoor and outdoor glass surfaces without leaving streaks
- Ammonia-free formula is safer for use around other cleaning products that could contain chlorine
- Safe for plain and factory-tinted automotive glass and metal auto trims
- Cost effective concentrate dilutes at 1:3

### Carpet Cleaner:

- Orally non-toxic formula is certified by The Carpet and Rug Institute not to damage carpet fibres or backings
- Use manually or in carpet cleaning equipment to remove tough stains, dirt, grime, oils and more
- Does not contain amines or bleach that can cause discoloration or damage
- Dilute 1:10 for heavy soils, 1:16 for medium soils, and 1:21 for lighter soils

## GENERAL PURPOSE

### SIMPLE GREEN® All-Purpose

- Ready-to-use formula - no mixing required!
- Use on any washable/water-safe surface in and around your home including floors, walls, countertops, tabletops, doors and cupboards
- Lemon & Apple fragrances
- Non-toxic & biodegradable

946 ml  
SG16071

946 ml  
SG07032

## SPECIALTY

### SIMPLE GREEN® Glass

- Ready-to-use formula - no mixing required!
- Use on glass, mirror, stainless steel, chrome, marble, granite, and other reflective surfaces
- Non-toxic, non-flammable, biodegradable, septic safe

946 ml  
SG16072

## GENERAL PURPOSE

### SIMPLE GREEN® All-Purpose

- Concentrated formula
- Use on any washable/water-safe surface in and around your home including floors, walls, countertops, tabletops, doors and cupboards
- Lemon fragrance
- Non-toxic & biodegradable

3.78 Ltr  
SG14010A

## SPECIALTY

### SIMPLE GREEN® Carpet

- Power out even stubborn dirt, grease, coffee, wine, lipstick and more with our easy-to-use, carpet spot cleaner with the stain-fighting power of peroxide

### SIMPLE GREEN® Floor

- Quickly and easily clean and restore a luxurious shine to wood, laminate and tile floors without the dulling build-up or unsightly streaks that other cleaners can leave behind

Carpet 946 ml  
SG01032

Floor 946 ml  
SG02032

## SPECIALTY

### SIMPLE GREEN® Bathroom

- Our bleach, ammonia and phosphate-free cleaner removes dirt, lime scale and soap scum from porcelain, tile, glass, stainless steel, chrome and more, leaving behind only a streak-free shine and fresh wintergreen scent

946 ml  
SG22032

## SPECIALTY

### SIMPLE GREEN® Stone

- Ideal for natural, synthetic, and engineered stone
- Easy to apply, no-wait formula is perfect for daily use
- Cleans and shines stone without greasy residue

Cleaner 946 ml  
SG18401

Polish 946 ml  
SG18402

## SPECIALTY

### SIMPLE GREEN® BBQ & Grill

- Specially formulated in a fast-acting, clinging foam, this non-corrosive and non-flammable formula goes on effortlessly, and penetrates quickly to remove baked-on grease, food & carbon deposits from almost any vertical surface & narrow space
- Works great on range hoods, vents, filters, and cooking utensils to name a few
- Suitable for oven cleaning

567 g  
SG60030

## FOOD GRADE

### SIMPLE GREEN® Stainless Steel

- Ready-to-use cleaner & polish in one for cleaning and maintaining high-end chrome and stainless steel appliances & surfaces such as fridges, kettles, tapware, benchtops, sinks etc.
- Wipes clean for an anti-static surface that resists dust, fingerprints, water spots and smudges

946 ml  
SG18300

## LAUNDRY

### SIMPLE GREEN® LAUNDRY Stain Remover

- Professional strength formula breaks down tough dirt, body oils, grease and food spills
- Ready-to-use stain remover cleans unsightly and clothes-ruining stains
- Convenient spray bottle ensures stains are penetrated quickly and completely
- Leaves behind a pleasant, sunshine fresh scent

650 ml  
SG01022

## LAUNDRY

### SIMPLE GREEN® LAUNDRY Liquid Concentrate

- A 2x concentrated strength liquid with a sunshine fresh fragrance
- For both top and front load washing machines
- Tough on dirt, grease, grass, food, coffee and wine
- One bottle washes up to 100 High Efficiency (HE) loads or 66 Standard loads
- Septic safe

2.95 Ltr  
SG17101

## MOTORSPORT

### SIMPLE GREEN® MOTORSPORTS Cleaner & Degreaser

- Cut through tough grease, oil, & grime on vehicles, engines, tools, equipment & more
- For cars, motorcycles, ATVs, RVs, watercraft, aircraft, bicycles & other recreational vehicles
- Safe for use on engines, underbodies, tyres, carpets, fabric, painted surfaces & more
- Non-corrosive formula is safe for use on carbon fiber, high-tech alloys & chrome
- Safe for painted surfaces, gel coats, protective coatings, rubber & plastic
- No reagents that oxidize finishes or cause rust within the fluid
- Perfect for use in auto repair & restoration, precision fabrications & metal working
- Meets stringent Boeing aircraft cleaning specification D6-17487P

 946 ml  
SG13440

## AUTOMOTIVE

### SIMPLE GREEN® WASH & WAX

- Cleans and shines in one easy step
- Removes dirt, grime and pollution, leaving behind a brilliant showroom shine
- Carnuba wax provides an added layer of protection for automotive surfaces
- Non-toxic formula is safer than most common cleaners
- Safe for paint, clear coat, windows, metal, chrome, rubber, canvas, vinyl, and more!
- Use on cars, trucks, motorcycles, RVs and more
- Won't dull or strip waxed surfaces, clear coats, gel coats or specialty paints
- Refreshing scent

 2 Ltr  
SG43272

 208 Ltr  
SG02055

## AUTOMOTIVE

### SIMPLE GREEN® ALL WHEEL & TIRE Cleaner

- Use on cars, trucks, motorcycles, RVs & more
- Removes caked-on brake dust, grease, grime, tar, mud and road soils with minimal scrubbing
- Foaming spray gets into crevices and tight areas, clinging for a superior clean
- For chrome, aluminum, clear-coated, machined and painted wheels, plus tires and whitewalls
- Overspray safe for vehicle bodies
- Non-toxic and biodegradable formula
- Formula is non-abrasive and non-corrosive
- No dangerous, caustic fumes

 710 ml  
SG01499

## MARINE

### SIMPLE GREEN® MARINE All-Purpose Boat Cleaner

- For use on boats, personal watercraft, trailers, fishing equipment, dinghies, skiing equipment, inflatables, coolers, safety gear & more
- Cost-effective, concentrated formula for use on all washable surfaces in or near marine environments
- Removes salt, bird droppings & other stains from canvas, sailcloth, covers, tops & carpets
- Cuts through grease, oils, gas & diesel without being corrosive to metals
- Safe for cleaning, degreasing & stain removal on all washable surfaces including fibreglass, treated wood, metal, rubber, plastic, paint, glass, fabric & more
- Non-scented formula is ideal for small spaces like galleys & heads
- Clean rinsing formula won't leave behind a haze or film

 650 ml  
SG19520

 3.78 Ltr  
SG19528

## GENERAL PURPOSE

### SIMPLE GREEN® SCRUBBING PAD

- Quick and easy to use – Just wet with water and squeeze to activate!
- Pre-Loaded with Simple Green® Industrial cleaner & degreaser concentrate (just add water for repeated use)
- Use on any washable, water-safe surface in your home, workplace etc.
- Non-abrasive
- Safe for delicate surfaces such as tile, teak, marble and fibreglass, yet strong enough for tough cleaning jobs like grimy tubs and barbecues
- Cleans tough soils like cooking grease, dirt, food soils, pet soils, oil, soot & more
- Non-toxic & biodegradable
- Made from 100% recycled polyester

 One Size  
SG10045

## FOAMING

### SIMPLE GREEN® Foamer

- An easy hose-end attachment that delivers a powerful jet spray of foamed Simple Green® solution for large areas
- Use in food preparation areas, wash rooms, or any situation where use of water diluted chemicals is required
- Foaming provides clinging ability for vertical and hard to reach surfaces and enhances product performance
- No pre-mixing is necessary as chemical and water are automatically blended in the mixing head as you spray
- Bottle holds 2.7 litres of concentrate
- Quick-release handle removes for rinsing

2.7 Ltr  
SG13292

## FOAMING

### SIMPLE GREEN® Heavy-Duty Foamer

- Unique medium volume hose-end foaming gun for diluting and applying foaming chemicals to any surface
- Creates rich, wet foam which increases chemical contact time and effectiveness
- Projects foam up to 3.7 metres (depending on water pressure)
- The stainless steel quick disconnect socket features 6 retaining balls to lock the bottle and foam assembly securely in place for easy rinsing
- No moving parts! Venturi action dilutes chemical consistently
- Great performance with pressure as low as 20PSI
- Lighty weight 946ml capacity

946 ml  
SG969925-B

## FOAMING

### SIMPLE GREEN® Pump Up Foamer Pro

- A portable foam applicator for applying foaming chemicals at full strength or pre-diluted to any surface
- Creates rich, clinging foam that adheres to surfaces longer to maximize chemical effectiveness
- Combines the advantages of foam application with the familiar ease and portability of a pump-up sprayer
- Just fill the tank with ready-to-use chemical solution, pump it up and foam!
- Use the "quick charge" valve to pressurize with an air compressor instead of pumping (must disconnect airline during operation)
- Heavy-duty, easy-grip trigger gun with locking latch
- Wide fan pattern nozzle for fast application

11 Ltr  
SG925005

## FOAMING

### SIMPLE GREEN® LV Foamer

- Designed for cleaning small areas, around sensitive equipment or for close-range foaming
- Projects a low volume of rich, clinging foam which increases chemical contact time and effectiveness
- Fan pattern nozzle for quick, precise coverage with little overspray (up to 2.7 metres range)
- Covers up to 500 sq ft (46.5 sq m) in 4.5 minutes
- Dilution ratio range 149:1 to 5:1 @ 40PSI
- Adjustable foam consistency (wet/dry)
- Water and air pressure gauges eliminate guessing to reduce set-up time and help with troubleshooting
- Chemical resistant wetted components ensure years of outstanding performance with minimal maintenance
- Industrial-strength design holds up in tough environments
- Optional hose rack

1 Product  
SG913105-G

Hose Rack  
SG224150

## FOAMING

### SIMPLE GREEN® LC Foamer

- Designed for foam cleaning medium to large surfaces
- Creates a medium volume of rich, clinging foam which increases chemical contact time and effectiveness
- Fan pattern nozzle for fast coverage (up to 3.6 metres range)
- Covers up to 500 sq ft (46.5 sq m) in 2 minutes
- Dilution ratio range 306:1 to 6:1 @ 40PSI
- Adjustable foam consistency (wet/dry)
- Water and air pressure gauges eliminate guessing to reduce set-up time and help with troubleshooting
- Chemical resistant wetted components ensure years of outstanding performance with minimal maintenance
- Industrial-strength design holds up in tough environments
- Optional hose rack

1 Product  
SG915105-G

Hose Rack  
SG224150

## FOAMING

### SIMPLE GREEN® HV Foamer with Gauges

- Designed for foam cleaning large areas and equipment
- Projects a high volume of rich, clinging foam which increases chemical contact time and effectiveness
- Fan pattern nozzle for fast coverage (up to 4.5 metres range)
- Covers up to 500 sq ft (46.5 sq m) in 1 minute
- Dilution range 914:1 to 6:1 @ 40PSI
- Zero degree nozzle for up to 7.6 metres range
- Adjustable foam consistency (wet/dry)
- Water and air pressure gauges eliminate guessing to reduce set-up time and help with troubleshooting
- Chemical resistant wetted components ensure years of outstanding performance with minimal maintenance
- Optional hose rack

1 Product  
SG916105-G

Hose Rack  
SG224150

## FOAMING

### SIMPLE GREEN® SUPER HV Foamer

- Projects an incredibly high volume of rich, clinging foaming chemical on to large surfaces and high ceilings
- Foam increases chemical contact time and cleaning effectiveness and also expands the chemical and reduces over-application by providing visual assurance of coverage
- Open flow foam nozzle projects foam up to 13.7 metres for cleaning very large areas, equipment and high ceilings without ladders or lifts
- Dilution ratio range 2,240:1 to 10:1 @ 40PSI
- Adjustable foam consistency (wet/dry)
- Water and air pressure gauges eliminate guessing to reduce set-up time and help with troubleshooting
- Optional hose rack available

Foamer  
SG916205G

Hose Rack  
SG224150

## FOAMING

### SIMPLE GREEN® W-20 HC SPRAY ALL

- A low volume, "high concentrate" spray applicator that produces strong dilution ratios for the toughest cleaning jobs
- Achieves chemical concentrations up to 2.4 to 1 for those tough applications
- Weaker dilution ratios controlled by precision metering tips
- Creates a low volume spray (under 1 GPM @ 40 PSI)
- Ideal for precision application in small areas and near sensitive equipment where minimal over-spray is crucial
- Fan pattern nozzle for even coverage
- Industrial-strength design holds up in tough environments
- Use it where 35-125 PSI water is available

1 Product  
SG970220HC

## FOAMING

### SIMPLE GREEN® LIBERTY SPRAYER

- A chemical spray applicator for projecting ready-to-use chemical solution on to a variety of surfaces.
- Draws pre-diluted chemical from a user-supplied tank
- Cost-effective Flojet AODD pump
- The chemical flow rate is regulated to match the mid-range of the air pump's specified operating range which protects the pump from running, repetitively, at a maximum capacity
- Alternate nozzles to project a low or medium volume fan pattern spray
- Powered solely by compressed air
- Corrosion resistant wetted components ensure durability
- Lockable, stainless steel pump enclosure

1 Product  
SG940005

## FOAMING

### SIMPLE GREEN® PRO FOAM - Food Sector

- Used to create a good quality dry foam on washable surfaces
- Direct connection to water tap and compressed air network
- Low water consumption
- Efficient and precise dilution ratio thanks to 14 calibrated metering tips
- Built in back flow protection and filter
- Thermoclean approved hose for the food sector, resistant to 70 °C – 20 bar
- Spray wands are stainless steel to handle the rigours of its environment
- Anti-freeze rubber protection on wand handles
- Stainless steel 316 ball valve and quick coupler
- Built out of 5mm white PVC
- Hose Length: 20 metres

1 Product  
SG-PROFOAM

## FOAMING

### SIMPLE GREEN® Pressure Foamer - Portable - Food Sector

- Produces a super-clinging, aerosol-type foam full strength or pre-diluted
- Suitable for vehicle wash, agriculture/ horticulture, animal health, food & beverage, industrial, janitorial/sanitation, metal processing, supermarkets, and many other applications where portable cleaning is required
- Easy control of the foam and regulation of the air and solution flow rate
- Stainless steel construction
- Solution and air adjustable
- Includes draining valve and air pressure regulator with pressure gauge

50 Ltr  
SG-FCAN50

## DILUTION

### SIMPLE GREEN® 2 Way Ball Valve Mixing Station

- A chemical proportioner for accurately diluting 2 chemical concentrates to required ratios and filling any sized container with diluted, ready-to-use chemical solutions
- Ball valve activation allows for hands-free dispensing
- The dilution ratio for each valve is set independently with a choice of flow rates for filling small to large containers
- Eliminates manual mixing and optimizes chemical utilization, employee safety and labor efficiency
- Suitable for use in restaurants, agriculture/ horticulture, animal health, vehicle wash, hatchery, industrial, janitorial/sanitation, metal processing, and many other applications!
- High flow and bottle fill

1 Product  
SG985200

## DILUTION

### SIMPLE GREEN® Dilution Bottle

- Adjustable nozzle gives you three different application settings: spray, stream or foam
- Suitable for all varieties of Simple Green® concentrates
- Can be used for both commercial and industrial cleaning and degreasing
- Secondary labels are available for selected Simple Green® concentrated formulas (see below)

946 ml  
SG89010

## DILUTION

### SIMPLE GREEN® Secondary Labels

Used to identify Simple Green® concentrates being used in the Simple Green® Dilution Bottles

- Simple Green® Industrial #SGSECLABIND
- Crystal Simple Green® #SGSECLABCRY
- Extreme Simple Green® #SGSECLABEXT
- Simple Green® Supreme #SGSECLABSUP
- Simple Green® Mine Clean #SGSECLABMIN
- Simple Green® d Pro #SGSECLABDPRO
- Simple Green® Lime Scale #SGSECLABLIME
- Simple Green® Clean Building All-Purpose #SGSECLABCBAP
- Simple Green® Clean Building Bathroom #SGSECLABCBBA
- Simple Green® Clean Building Glass #SGSECLABCBGL
- Simple Green® Clean Building Carpet #SGSECLABCBCA
- Simple Green® Pro Grade Heavy-Duty #SGSECLABPGHD
- Simple Green® Pro Grade Shower, Tub & Tile #SGSECLABPGSTT
- Simple Green® Pro Grade Glass #SGSECLABPGG
- Simple Green® Pro Grade Carpet #SGSECLABPGC

Quantity: 10 labels per pack

## DILUTION

### SIMPLE GREEN® HI-FLOW Single Dilution Proportioner

- Ideally suited for filling pressure washers, floor scrubbers, high and low pressure foaming equipment etc.
- Flow rate of 14 litres per minute
- Standard metering tips included
- Inlet connection is compatible with all Australian fittings
- Metering tips are inserted from the outside speeding up installation time
- Solenoid valve type magnet activation

1 Product  
SG13887

## DILUTION

### SIMPLE GREEN® 4-WAY Dilution Bottle Fill Proportioner

- Ideally suited for filling trigger-spray bottles
- Flow rate of 4 litres per minute
- Standard metering tips included
- Inlet connection is compatible with all Australian fittings
- Metering tips are inserted from the outside speeding up installation time
- Four different dilution settings: Extra Light, Light, Medium, Heavy-Duty
- Solenoid valve type magnet activation

1 Product  
SG13886

## DILUTION

### SIMPLE GREEN® 4-WAY Dilution Bucket Fill Proportioner

- Ideally suited for filling buckets, pressure sprayers or foaming guns etc.
- Flow rate of 4 litres per minute
- Standard metering tips included
- Inlet connection is compatible with all Australian fittings
- Metering tips are inserted from the outside speeding up installation time
- Four different dilution settings: Extra Light, Light, Medium, Heavy-Duty
- Solenoid valve type magnet activation

1 Product  
SG13885

## DISPENSING

### SIMPLE GREEN® Drum Pumps & Tap

- Using a drum pump/tap for each chemical in the workplace provides safer, mess free dispensing and controls workplace hazards
- Pumps come with Adaptor Fitting for securing into drums and containers

#### 20 Litre Pump:

- Suited to dispensing any small can or drum with a minimum opening of 42mm in diameter
- Shorter shaft height for easy pumping on a bench or table top

#### 208 Litre Pump:

- Vertical location of pump in the drum means no bending when dispensing liquid
- Dispenses 400 ml per stroke

#### 1040 Litre Pump:

- Sits at the base of the IBC or tote for emptying the whole container

20 Ltr Drum Tap  
SGDRUMTAP20L

3.78 Ltr Pump

## STORAGE

### SIMPLE GREEN® Drum Trolley (20 Ltr)

- Wire rack/trolley for 15-25 litre drums
- Made from 316 polished stainless steel
- Industrial, smooth gliding wheels
- Robust design and construction

20 Ltr  
SGLB97155W

## STORAGE

### SIMPLE GREEN® Wire Rack

- 316 SS Wire Rack
- Length: 504mm
- Width: 205mm
- Height: 155mm

4 x 5 Ltr  
SGLB972224S

## STORAGE

### SIMPLE GREEN® Wire Rack

- 316 SS Wire Rack
- Length: 192mm
- Width: 140mm
- Height: 150mm

5 Ltr  
SGLB970114

## STORAGE

### SIMPLE GREEN® Wire Rack (15-25 Ltr)

- 316 SS Wire Rack
- Length: 295mm
- Width: 290mm
- Height: 245mm

20 Ltr  
SGLB970015

## PARTS WASHING

### SIMPLE GREEN® 110 Litre Parts Washer

- A heavy-duty, aqueous-based, stand mounted machine with thermoplastic construction
- 40°C, 1000-watt heater with separate switch
- Flexible spigot and nylon flow-through brush & clean out plug for easy draining
- Stainless-steel work shelf
- Includes filter kit and circulating pump (chemical resistant)
- Dimensions: 90cm L x 60cm W x 97.5cm H
- Operational litres: 95
- Ship Weight: 37kg
- 37.5cm depth soak basin (at deepest point)
- 240 volt industrial grade pump

## PARTS WASHING

### SIMPLE GREEN® 219 Litre Parts Washer

- A heavy-duty, aqueous-based, tank mounted machine with thermoplastic construction
- 40°C, 1000-watt heater with separate switch
- Flexible spigot and nylon flow-through brush
- Stainless-steel work shelf
- Includes filter kit and circulating pump (chemical resistant)
- Dimensions: 101.2cm L x 75cm W x 97.5cm H
- Operational litres: 205
- Ship Weight: 45kg
- 22.5cm depth soak basin (at deepest point)
- 240 volt industrial grade pump

## PARTS WASHING

### SIMPLE GREEN® 292 Litre Parts Washer

- A heavy-duty, aqueous-based, agitating machine of stainless steel construction
- 70cm depth soak basin (at deepest point)
- 113kg load capacity
- Pump: 240 volt industrial grade, 10AMP, Heater: 40°C, 6000-watt, 30AMP
- Platform operates on 8CFM of air @ 120PSI
- Self-cleaning agitating platform lifts parts to top for easy loading and unloading
- Adjustable agitation speed (0-60/minute)
- Air filter regulator with auto drain
- Flow-through brush with polyester filaments
- Stainless steel spring-loaded door closures
- Thermostat is preset to deliver optimal cleaning temperature of 40°C
- Dimensions: 133cm L x 86cm W x 169cm H
- Weight: 260kg

## PARTS WASHING

### SIMPLE GREEN® 567 Litre Parts Washer

- A heavy-duty, aqueous-based, agitating machine of stainless steel construction
- 340kg load capacity
- 240 volt pump, 6000-watt heater 30AMP
- Self-cleaning agitating platform lifts parts to top for easy loading and unloading
- Platform operates on 25CFM of air @ 120PSI
- Adjustable agitation speed (0-60/minute)
- Filter regulator with auto drain
- Flow-through brush with polyester filament
- Stainless steel spring-loaded door closures
- Thermostat is preset to deliver optimal cleaning temperature of 40°C
- Includes backup thermostat (non-adjustable)
- Dimensions: 163cm L x 114cm W x 169cm H
- Weight: 506kg
