

Make a Safer choice.

Keeping Your Environment **Cleaner** and **Safer** for over 45 years.

SIMPLE GREEN® INDUSTRIAL Cleaner/Degreaser/Deodoriser

- Concentrated formula powerful enough for intense grime, yet gentle enough for continued maintenance of high-traffic areas
- Clean, degrease and deodorise all washable/water-safe surfaces in a wide range of industries
- Quick break formulation cuts through tough grease, oils, cutting fluids, built-up grime and residue
- Not classified as hazardous according to Model Work Health & Safety Regulations and GHS Criteria
- No special PPE requirements for handling
- Safe for use in cleaning equipment such as floor scrubbers, pressure washers & foamers
- The U.S. Environmental Protection Agency's Safer Choice program considers Simple Green a leader in safer product development and sustainability.

SIMPLE GREEN® PARTS WASHING Fluid

- Designed for conventional and rotating parts washers that use a aqueous-based degreaser
- 25 litres of concentrate makes 100 litres of product at a dilution of 1:3
- Used liquid may be disposed of into oil/water separators that will reduce hazardous disposal costs
- Readily biodegradable, non-flammable and non-caustic
- A multi-use product which can also be diluted for general cleaning and degreasing applications
- Not classified as hazardous according to Model Work Health & Safety Regulations and GHS Criteria

	25 Ltr SG13484
---	-------------------

SIMPLE GREEN® LIME SCALE Remover

- Safely remove tough, built-up mineral deposits, hard water stains, soap scum and oxidation from a variety of surfaces including porcelain, ceramic tile, glass, aluminium, stainless steel, chrome & more.
- Safe for drains and pipes including ABS, PVC, copper, and others
- No bleach, ammonia or phosphorous
- Organic salt formula won't strip protective finishes, cause damage or discoloration, or etch sensitive surfaces
- VOC compliant, non-fuming, non-flammable
- Descales equipment including HVAC components, pipes, hoses, tanks, storage systems, spray rack systems, washing machines and more

SIMPLE GREEN® CLEAN BUILDING Range

All-Purpose Cleaner

- Penetrates and lifts dirt, grime and oily soils from hard, non-porous surfaces without heavy scrubbing.
- Formula is non-caustic, non-flammable and contains no added fragrances, which can aggravate allergies or other sensitivities.
- Dilution Ratio 2% Concentrate/98% water
- Use on desks, floors, dining areas, counter tops, walls, furniture and other areas where messes build up over time.
- Biodegradable formula is ideal for cleaning in schools, animal shelters, office buildings, veterinary offices and kennels, hotels and motels, and more.

Bathroom Cleaner

- Specifically formulated for cleaning scale and scum types of soils typically found on hard bathroom surfaces.
- Safe for a variety of hard bathroom surfaces including ceramic, tile, grout, Corian®, Formica®, porcelain and cured fibreglass.
- Dilution Ratio 5% Concentrate/95% water
- No added fragrances
- No special PPE requirements for handling (safe work practices are recommended)

Glass Cleaner

- Use indoors and outdoors on windows, structural glass, mirrors, glass furniture, display cases, chrome fixtures and more.
- Non-foaming, strong wetting agent lifts soil without leaving behind soapy residues.
- Removes dirt, fingerprints and smudges from glass and reflective surfaces without leaving behind streaks or smears.
- Does not add fragrances, ammonia or isopropyl alcohol, making it a much safer option than other common glass cleaners.
- Dilution Ratio 3.3% Concentrate/96.6% water

Carpet Cleaner

- Safely eliminates stains and dirt from carpet and upholstery in high-traffic areas.
- Certified safe and effective by the Carpet and Rug Institute
- Dilution Ratio 5% Concentrate/95% water
- Cleaner contains no added fragrances, which can aggravate allergies or other sensitivities.
- Complies with environmentally preferable product purchasing programs.

SIMPLE GREEN® PROFESSIONAL GRADE Range

Heavy-Duty Cleaner

- Multi-Purpose heavy-duty cleaner, degreaser and deodoriser quickly eliminates tough grease, grime and stains.
- Readily biodegradable, non-corrosive formula is safe for use on metals, plastics, concrete, vinyl, painted surfaces, sealed wood and more.
- Use manually or with cleaning equipment
- Dilute 1:3 for heavy soils, 1:5 for medium soils, and 1:13 for lighter soils.

Shower, Tub & Tile Cleaner

- Dual-purpose formula provides heavy-duty descaling and effective daily cleaning on tile, metals, porcelain, plastic, PVC and more.
- Non-abrasive cleaner removes built-up lime scale, hard water scale and soap scum without stripping protective finishes or causing discoloration.
- Organic salt formula is bleach, ammonia, and phosphate-free
- Use full-strength for heavy soils and dilute 1:1 for everyday use

Glass Cleaner

- Formula removes fingerprints, air pollution, oils and grime from both indoor and outdoor glass surfaces without leaving streaks.
- Ammonia-free formula is safer for use around other cleaning products that could contain chlorine.
- Safe for plain and factory-tinted automotive glass and metal auto trims.
- Cost effective concentrate dilutes at 1:3

Carpet Cleaner

- Formula is certified by The Carpet and Rug Institute not to damage carpet fibres or backings.
- Use manually or in carpet cleaning equipment to remove tough stains, dirt, grime, oils and more.
- Does not contain amines or bleach that can cause discoloration or damage.
- Dilute 1:10 for heavy soils, 1:16 for medium soils, and 1:21 for lighter soils.

SIMPLE GREEN® All-Purpose Cleaner Ready-To-Use

- Ready-to-use formula requires no mixing
- Use on any indoor or outdoor washable surface – In the bathroom on the tub, toilet, sink and shower, or take it outside to use on garage floors, tools, bikes and patio furniture.
- Available in both Original Sassafras and Lemon fragrances
- Readily biodegradable

SIMPLE GREEN® All-Purpose Cleaner Concentrate

- Concentrated, orally non-toxic and biodegradable formula provides up to 30 times the cleaning value.
- Use full strength on heavy messes or custom dilute for daily cleaning
- Powerful cleaner and degreaser designed for effective and environmentally safer use on counters, carpet, floors, fabric, equipment, vehicles and more.
- Available in both Original Sassafras and Lemon fragrances
- Readily biodegradable
- The U.S. Environmental Protection Agency's Safer Choice program considers Simple Green a leader in safer product development and sustainability.

SIMPLE GREEN® OXY SOLVE Range

Concrete and Driveway Cleaner

- Eliminates tough oil stains, rust stains, grease, automotive fluids, tire marks, exhaust buildup and more
- Ideal for cleaning driveways, walkways, patios and masonry, with a fast-acting foam that cleans using the power of peroxide
- Brighten and renew surfaces without harmful bleach while eliminating discoloring from algae, moss, mold and mildew stains

Deck and Fence Cleaner

- Cleans decks, fences and other outdoor structures such as pergolas, gazebos and carports
- Lifts away tough grime, oils and grease and eliminates stains from mold, mildew, algae, moss, mud and clay
- Uses the power of peroxide to lift grime without harsh chemicals

House and Siding Cleaner

- Removes dirt, pollution and stains from mold, mildew, moss and algae
- The pressure washer concentrate is ideal for cleaning vinyl, aluminum, stucco, wood, brick and other types of siding.
- The fast-acting foam cleans using the power of peroxide.
- Brighten and renew surfaces without harmful bleach while removing black streaks and lifting tree sap, ash and soot off of siding and trim.

Total Outdoor Cleaner

- Lifts dirt, grime and stains from mold, mildew, moss and algae
- The pressure washer concentrate is ideal for cleaning wood, composite, vinyl, metal, fabric, plastic, wicker, concrete, stone, brick, asphalt and other outdoor surfaces, with a fast-acting foam that cleans using the power of peroxide.
- Ideal for boats, watercraft & inflatables as it won't degrade fiberglass, metals, plastic or canvas
- Brighten and renew surfaces without harmful bleach while lifting tough tree sap, grease and oils and removing oxidation and weathering.

The U.S. Environmental Protection Agency's Safer Choice program considers Simple Green a leader in safer product development and sustainability.

SIMPLE GREEN® Bathroom Cleaner

- Specially formulated to effectively dissolve and remove lime scale, soap scum, and water mineral deposits from: sinks, toilets, tubs, ceramic tile, shower and faucet fixtures, glass shower doors, chrome and stainless steel.
- The formula is non-abrasive, non-flammable, deodorizes as it cleans and is bleach-free, ammonia-free and phosphate-free.
- Safe for use on porcelain, tile, glass, stainless steel, chrome and more.
- Streak-free formula

 946 ml
SG22032

SIMPLE GREEN® GLASS Cleaner

- Restores brilliant shine and clarity to windows, mirrors and other reflective surfaces throughout your home.
- The easy-to-use cleaner does not contain harmful ammonia or bleach, and easily removes fingerprints, smudges and other grime, cutting through dirt and oils to reveal a crystal clear shine
- This versatile cleaner can be used on acrylic, fiberglass, glass, plastic, porcelain and other reflective surfaces to wipe away dirt, dust and more.

 946 ml
SG16072

SIMPLE GREEN® CARPET Cleaner

- A powerful, yet safer solution for spot cleaning carpets, rugs, fabrics and upholstery.
- The biodegradable formula does not contain dyes, perfumes or bleach.
- Uses the natural power of peroxide to quickly and easily break down soils, removing spots and stains at the source.
- The easy-to-use spot remover quickly eliminates stains, spots and odors without harsh chemicals.

 Carpet 946 ml
SG01032

SIMPLE GREEN® OUTDOOR Odor Eliminator

- Ready-to-use formula - no mixing required!
- Natural micro-organisms quickly eliminates the source of smell
- Won't harm your lawn or landscaping & Safe to use around pets
- Non-flammable, non-hazardous, no-ammonia, septic tank safe

SIMPLE GREEN® ALL WHEEL & TIRE Cleaner

- Use on cars, trucks, motorcycles, RVs & more
- Removes caked-on brake dust, grease, grime, tar, mud and road soils with minimal scrubbing.
- Foaming spray gets into crevices and tight areas, clinging for a superior clean
- For chrome, aluminum, clear-coated, machined and painted wheels, plus tires and whitewalls.
- Overspray safe for vehicle bodies

- Biodegradable formula
- Formula is non-abrasive and non-corrosive
- No dangerous, caustic fumes

 710 ml
SG01499

SIMPLE GREEN® Foamer

- An easy hose-end attachment that delivers a powerful jet spray of foamed Simple Green® solution for large areas
- Use in food preparation areas, wash rooms, or any situation where use of water diluted chemicals is required
- Foaming provides clinging ability for vertical and hard to reach surfaces and enhances product performance
- No pre-mixing is necessary as chemical and water are automatically blended in the mixing head as you spray
- Bottle holds 2.7 litres of concentrate
- Quick-release handle removes for rinsing

2.7 Ltr
SG13292

SIMPLE GREEN® Heavy-Duty Foamer

- Unique medium volume hose-end foaming gun for diluting and applying foaming chemicals to any surface
- Creates rich, wet foam which increases chemical contact time and effectiveness
- Projects foam up to 3.7 metres (depending on water pressure)
- The stainless steel quick disconnect socket features 6 retaining balls to lock the bottle and foam assembly securely in place for easy rinsing.
- No moving parts! Venturi action dilutes chemical consistently
- Great performance with pressure as low as 20PSI
- Light weight 946ml capacity

946 ml
SG969925-B

SIMPLE GREEN® Pump Up Foamer Pro

- A portable foam applicator for applying foaming chemicals at full strength or pre-diluted to any surface
- Creates rich, clinging foam that adheres to surfaces longer to maximize chemical effectiveness
- Combines the advantages of foam application with the familiar ease and portability of a pump-up sprayer
- Just fill the tank with ready-to-use chemical solution, pump it up and foam!
- Use the "quick charge" valve to pressurize with an air compressor instead of pumping (must disconnect airline during operation)
- Heavy-duty, easy-grip trigger gun with locking latch
- Wide fan pattern nozzle for fast application

11 Ltr
SG925005

SIMPLE GREEN® LV Foamer

- Designed for cleaning small areas, around sensitive equipment or for close-range foaming.
- Projects a low volume of rich, clinging foam which increases chemical contact time and effectiveness.
- Fan pattern nozzle for quick, precise coverage with little overspray (up to 2.7 metres range).
- Covers up to 500 sq ft (46.5 sq m) in 4.5 minutes
- Dilution ratio range 149:1 to 5:1 @ 40PSI
- Adjustable foam consistency (wet/dry)
- Water and air pressure gauges eliminate guessing to reduce set-up time and help with troubleshooting.
- Chemical resistant wetted components ensure years of outstanding performance with minimal maintenance.
- Industrial-strength design holds up in tough environments
- Optional hose rack

SIMPLE GREEN® W-20 HC SPRAY ALL

- A low volume, "high concentrate" spray applicator that produces strong dilution ratios for the toughest cleaning jobs.
- Achieves chemical concentrations up to 2.4 to 1 for those tough applications.
- Weaker dilution ratios controlled by precision metering tips
- Creates a low volume spray (under 1 GPM @ 40 PSI)
- Ideal for precision application in small areas and near sensitive equipment where minimal over-spray is crucial.
- Fan pattern nozzle for even coverage
- Industrial-strength design holds up in tough environments
- Use it where 35-125 PSI water is available

1 Product
SG970220HC

SIMPLE GREEN® LIBERTY SPRAYER

- A chemical spray applicator for projecting ready-to-use chemical solution on to a variety of surfaces.
- Draws pre-diluted chemical from a user-supplied tank
- Cost-effective Flojet AODD pump
- The chemical flow rate is regulated to match the mid-range of the air pump's specified operating range which protects the pump from running, repetitively, at a maximum capacity.
- Alternate nozzles to project a low or medium volume fan pattern spray.
- Powered solely by compressed air
- Corrosion resistant wetted components ensure durability
- Lockable, stainless steel pump enclosure

1 Product
SG940005

SIMPLE GREEN® PRO FOAM - Food Sector

- Used to create a good quality dry foam on washable surfaces
- Direct connection to water tap and compressed air network
- Low water consumption
- Efficient and precise dilution ratio thanks to 14 calibrated metering tips.
- Built in back flow protection and filter
- Thermoclean approved hose for the food sector, resistant to 70 °C – 20 bar
- Spray wands are stainless steel to handle the rigours of its environment.
- Anti-freeze rubber protection on wand handles
- Stainless steel 316 ball valve and quick coupler
- Built out of 5mm white PVC
- Hose Length: 20 metres

SIMPLE GREEN® Drum Pumps & Tap

- Using a drum pump/tap for each chemical in the workplace provides safer, mess free dispensing and controls workplace hazards.
- Pumps come with Adaptor Fitting for securing into drums and containers.

20 Litre Pump:

- Suited to dispensing any small can or drum with a minimum opening of 42mm in diameter.
- Shorter shaft height for easy pumping on a bench or table top

208 Litre Pump:

- Vertical location of pump in the drum means no bending when dispensing liquid.
- Dispenses 400 ml per stroke

1040 Litre Pump:

- Sits at the base of the IBC or tote for emptying the whole container
