

Ready-To-Use Specialty Cleaners

UNIQUE FEATURES

- **RTU Carpet Cleaner:** Power out even stubborn dirt, grease, coffee, wine, lipstick and more with our easy-to-use, carpet spot cleaner with the stain-fighting power of peroxide.
- **RTU Floor Cleaner:** Quickly and easily clean and restore a luxurious shine to wood, laminate and tile floors without the dulling build-up or unsightly streaks that other cleaners can leave behind.
- **RTU Bathroom Cleaner:** Our bleach, ammonia and phosphate-free cleaner removes dirt, lime scale and soap scum from porcelain, tile, glass, stainless steel, chrome and more, leaving behind only a streak-free shine and fresh wintergreen scent.
- **RTU Glass Cleaner:** Free of harsh ammonia and phosphates, our glass cleaner restores shine and clarity to windows and mirrors throughout your home.
- **RTU Laundry Stain Remover:** Lift out tough dirt, grease, food spills and more with our professional-strength laundry stain remover in invigorating sunshine fresh scent.
- **RTU All-Purpose Cleaner:** Available in **Apple** and **Lemon** scents is a multi-purpose formula for use on any washable, water-safe surface in and around your home, office, or workplace.
- **RTU Laundry Liquid:** Remove tough stains with our fresh fragranced 2x concentrated strength laundry liquid formulated for both top and front load washing machines.
- **RTU BBQ/Oven Cleaner:** This food grade foaming formula clings to vertical and hard-to-reach surfaces providing longer contact time to remove greases and food residues from your cooking surfaces.
- **RTU Stainless Steel Cleaner & Polish:** Clean, polish & protect a variety of metal surfaces including stainless steel, chrome, aluminum and more in one quick step with this non-toxic formula that is free of oily and flammable petroleum distillates.
- **RTU Stone Cleaner:** Use this non-abrasive cleaner to clean marble, granite, quartz, limestone, ceramic, porcelain, engineered stone, and more before polishing with **RTU Stone Polish** to condition surfaces and restore and maintain their luster, leaving no greasy film, sticky residue, or streaks.
